Details:

We exclusively present this comfortable and bright apartment in Roque del Conde, a privileged and elevated area of Costa Adeje, known for its residential character, tranquility and open ocean views.

Ideally located on a corner, the property enjoys greater privacy and excellent natural light. Its distribution is well resolved and has 2 large bedrooms and 2 full bathrooms, offering well-proportioned and very functional spaces.

The living area has a modern design, with an equipped kitchen with breakfast bar integrated into the living room, for a more open atmosphere. This interior space extends naturally to a large terrace of 45 sqm, conceived as a real extension of the house. A generous outdoor space, ideal for enjoying the climate of the area and spectacular sea views.

The apartment is part of a modern complex with swimming pool and well-kept common areas, and has elevator to the floor and private parking space included. Its location is especially practical, with easy access to all services, shopping centers, beaches and a wide gastronomic and leisure offer just a few minutes away.

A very attractive option for those looking for quality of life, outdoor space and good location in an established residential area of Costa Adeje.
