Details:

This 2-bedroom, 2-bathroom apartment is located in Bahía Los Menceyes, one of the most sought-after residential developments in the coastal town of Palm-Mar. The home stands out for its abundance of natural light and its beautiful panoramic ocean views, which stretch along the coast all the way to Playa de Las Américas, offering a stunning vista from inside.

The apartment is in excellent condition and offers a peaceful and pleasant atmosphere, suitable for those seeking a primary residence, a vacation home, or a real estate investment. The property also includes a parking space and a storage unit.

Palm-Mar is known for its tranquility and its oceanfront location, in a residential setting where services, restaurants, and other amenities are within walking distance. At the same time, its location provides easy access to the main tourist centers in southern Tenerife, such as Los Cristianos and Costa Adeje, both of which are nearby.

This property is particularly appealing due to its location, its unobstructed views of the Atlantic, and the convenience of having both everyday amenities and the coast's recreational offerings within easy reach.
