Details:

This attractive corner plot is located in a sought-after suburb of Palma. The surrounding area boasts an excellent infrastructure and a quiet yet well-connected residential area. With an existing building license, the plot offers the ideal basis for realizing a modern dream home.

Planned residential property:

Basement

The basement offers ample space with a spacious garage for 2 vehicles (approx. 100 sqm). This area is complemented by a practical machine room, water tanks and a staircase that connects to the upper living levels.

First floor

A spacious entrance area welcomes you on the first floor. The light-flooded living and dining area with adjoining kitchen opens up from here - the perfect central meeting point for family and guests. There is also a bedroom, a bathroom, a laundry room and a spacious terrace with access to the pool (approx. 30 sqm) on this level, which is perfect for relaxing.

Upper floor

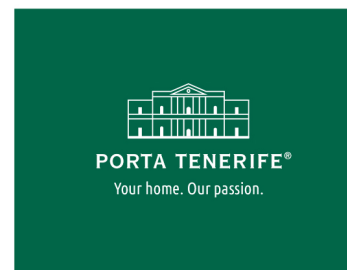

The upper floor houses the master bedroom with its own dressing area. Two further bedrooms and 2 elegant bathrooms provide ample space and comfort. A central distributor rounds off the level and provides a harmonious transition between the rooms.

Further highlights are the quiet yet central suburban location of Palma, attractive corner location, a spacious, modern room layout, an outdoor area with pool and sun terrace.

The existing building license should also be highlighted.
